**Smt. Nirmala Sitharaman,
Hon'ble Finance Minister,
Govt. of India,
North Block,
New Delhi.**

Respected Madam,

We convey our best wishes and congratulations to you for your taking over the charge of Union Finance Ministry. We do believe that yourself with your education, experience in different key portfolios and a very important position in the party will be proving your real worth in such a vital ministry of the vast country of ours.

Introducing ourselves, we like to say a few words only :

We are the senior citizens of the Banking Industry of the country under the banner of All India Bank Pensioners & Retirees Confederation (AIBPARC) and we are also the constituent of CBPRO which commands the membership of nearly cent percent of the pensioners and retirees of the industry. We have

worked with diligence and dedication for 3 to 4 decades in Banks and laboured hard to implement the policies of the government directed towards the development of the nation and the society. Even after superannuation, we have not forgotten our duties and responsibilities towards the nation and the society. In the post demonetisation phase, the pensioners and retirees of the industry

have worked side by side with the serving employees and officers without expecting any financial remuneration.

With this background of ours, we consider ourselves as the extended arms of the Ministry of Finance, Govt. of India. We convey to you our best wishes for an all round success of yourself as the Union Finance Minister. We do hope that under your able guidance and leadership, the economy of the country will move from strength to strength.

With kind regards,

Yours faithfully,

(SUPRITA SARKAR)
